

Local Directions to La Roque FROM Pont-St-Esprit and the A7

If you are on the A7, take junction 19 signposted BOLLENE and PONT-ST-ESPRIT.

Take the D994 towards PONT-ST-ESPRIT crossing the River Rhône

Take the N86 towards BAGNOLS SUR CEZE

After about 6km, and BEFORE you start to enter BAGNOLS take the RIGHT turn signposted BARJAC D980. Note that the next turnoff will be in 7.2km. so you may wish to check or reset your distance indicator at this point.

Continue straight on this road , taking the 2nd exit at the roundabout bypassing St Gervais.

After 6.8km you should pass a right turn signposted St Michel d'Euzet. Continue forward for 0.4km as the road rises slightly, and you will arrive at a small unsigned crossroads marked with a stone cross. Take the LEFT turn here, and follow the road all the way for 1.2km until you arrive at the narrow stone bridge and see La Roque rising up on the hill in front of you.

CONTINUE over the BRIDGE, and then turn RIGHT into the village, ignoring the sign 'Sauf des Riverains'. Follow the road as it takes a sharp left and pass the church on your right and pétanque area on your left. Bear very slightly right and Grand Rue now becomes a steep cobbled street.

Pass the creperie on your right, continue up, and just passed the Romanesque water house on your left turn sharp left to park in the area in front of the Mairie.

You can park here with no charges or restrictions. Maison La Roque is tucked away up Montee Du Chateau which is a stone cobbled street that starts as a normal street exactly opposite the entrance to the Mairie car park but which quickly narrows to a steep path. Keep LEFT as it winds up, and the main entrance to Maison La Roque is a large almost black door on your left after about 20m.
